

GREAT MASSINGHAM PARISH COUNCIL

APRIL PARISH COUNCIL MEETING

A brief report this month, however the minutes from all Parish Council meetings are available on the website [www. https://www.greatmassingham-pc.info](https://www.greatmassingham-pc.info) should you wish to find out more.

Discussion continues around the potential installation of protective matting on the village greens to address parking issues and minimise damage. Replacement options and quotations are to be sought for the platform Roundabout at the Play Area, along with safety surfacing underneath the flat seat swings. This will remove the need to refill worn areas and provide a safe and even surface.

Grays Fun Fair have approached the Parish Council with provisional dates for the fair to visit the village in the first week of October this year. Friend's of St Botolph's, Grimston will be stopping on the Village Green with their Vintage Tractors on the 16th June for a lunch break.
